

Perka the Coyote and the Road Runner

Episode: Proportion

The Road Runner came to visit Perka after her invitation.

They sit there. Waiting for the gibanica.

Then Perka says smugly:

“You know, Road Runner... Darija and I are similar. We both have voluptuous breasts.”

The Road Runner doesn't even blink.

“I know,” he says calmly.

“The two of you will never complain about headaches.”

A second of silence.

A ladle takes flight.

Cutting through the air with the precision of a projectile without an orb.

The Road Runner survived.

Escaped.

Yes.
